Usuf Kabugo – Secretary

Uganda Association of Quebec (UAQ)

Usuf Kabugo serves as the Secretary of the Uganda Association of Quebec (UAQ), where he plays an important role in supporting the association's administration, governance, and communication.

In his position, Usuf is responsible for preparing meeting agendas, recording accurate minutes, maintaining official documents, managing correspondence, and ensuring that important decisions and information are properly communicated to the executive team and association members.

Usuf works closely with the President, executive committee, directors, and community members to promote effective coordination and accountability within UAQ. His commitment to organization, transparency, and teamwork helps ensure that the association's meetings, programs, and administrative activities are conducted efficiently.

He is passionate about serving the Ugandan community and contributing to an inclusive organization where members remain informed, connected, and actively involved. Usuf believes that strong administration and clear communication are essential for building trust and supporting the continued growth of UAQ.

Through his dedication and service, Usuf continues to support the association's mission of promoting unity, preserving Ugandan culture, assisting community members, and strengthening the relationship between Ugandans and the wider Quebec community.

Personal Motto:

"Serving with integrity, communicating with clarity, and building unity through effective leadership."
